MESSAGE FROM THE HEAD MASTER 校长寄语

Welcome to Harrow International School, Shenzhen Qianhai, one of the leading British International Schools in Asia. As we look forward to a new academic year, we are ready to embrace the challenges that are waiting and the many successes we will enjoy at Harrow Shenzhen.

We are convinced that in an environment that currently has a high reputation, we must not stop moving forward. When one stands still, one is in effect, going backwards. Harrow Shenzhen is a remarkable school within the Greater Bay area. In nurturing well-qualified, compassionate, self-assured members of the community, our vision sets out the opportunity to look forward and plan without losing sight of what has come before. Every child comes through the school only once and deserves the best.

The core values of courage, honour, humility and fellowship will continue to be the values of all members of our school community, young and old since 1572.

Our newly agreed vision views the foundation from 2-18 years as the key to our current and future ongoing success. The school has a particular niche within the marketplace, and we must be careful to consider this in our planning. The expectation for any potential family joining Harrow Shenzhen is to join us for the journey from 2-18 years. Therefore, all the facilities we provide and develop are of equal importance. The family ethos of the school is fundamental and should be a key factor in driving our future plans for growth and expansion. Alongside outstanding

academic results, we want Harrow Shenzhen to be an elite school in sport and the performing arts.

The longer I spend at Harrow Shenzhen, the more I understand what clearly makes it such a unique school. The life of a school over a full academic year is a busy one.

So, what is it that makes such a school so special and unique?

“The range of opportunities given to our pupils is the main reason for such an enviable reputation”.

As I have firmly believed in my years as a Head Master it is the breadth and balance of the provision that helps pupils become the best they can possibly be. That must incorporate both the aspiration to succeed to the very highest levels, but also an opportunity to find an activity within the school which gives all pupils the chance to shine.

Joining Harrow Shenzhen should not be a difficult choice and we look forward to welcoming the many new families and children who will join us and continuing to aspire for excellence in all we aim to achieve.

Stet fortuna domus - May the fortune of the House stand.

欢迎来到深圳前海哈罗国际学校, 亚洲领先的英式国际学校之一。在新的学年里, 我们厉兵秣马、整装待发, 已经准备好面对挑战并迎接成功。

学如逆水行舟, 不进则退。我们相信, 即便哈罗深圳已经享有盛誉, 但依旧不能停止前进的步伐。哈罗深圳是位于大湾区的一所备受推崇的学校, 我们以培养优秀、富有同情心、自信的学生为目标, 秉承历史、眺望未来。孩子一生, 只有一次在校园求学的机会, 他们都值得最好的教育!

自1572年哈罗公学创校以来, 全体师生和家长无论年龄长幼, 都秉承着哈罗公学的核心价值观——勇气、荣誉、谦和与互助。

哈罗深圳坚信, 2至18岁期间所打下的良好的教育基础, 是取得当前和未来成功的关键因素。哈罗深圳在市场上有着独特的定位, 因此在规划孩子们的教育时, 我们都格外慎重。我希望加入哈罗深圳的所有家庭都有一个共同的期望, 那就是让孩子们从2岁至18岁, 一直都在哈罗深圳接受教育。因此, 校园内的设施配套要跟得上大家的期望和发展。每个哈罗家庭中的氛围是未来成长和发展的主要驱动力。除了在学术方面取得杰出成绩, 深圳哈罗还要成为一所在体育和表演艺术方面都拥有卓越成绩的学校。

我在哈罗深圳的时间越长, 就越能深刻地理解这所学校的独特之处。整个学年的学校生活是充实而忙碌的。

那么, 是什么让我们如此特别和独一无二呢?

“哈罗深圳给予学生全方位的挑战、提升自己的机会, 这是我们享有盛誉的主要原因。”

作为校长的这些年来, 我坚持为学生提供广泛和充足的学习机会, 以此帮助他们成为最好的自己。这不仅包括努力追求最高水平的成就, 还有为所有学生提供展现自己才艺的机会。

加入哈罗深圳是一个明智的选择, 我们热切期待着迎接新的家庭和孩子的加入。并肩同行、追求卓越!

愿院舍光辉永存!

EDUCATIONAL EXCELLENCE FOR LIFE AND LEADERSHIP

We proudly look to the 450-year-old Harrow School in the UK for guiding principles, placing our four long-held Values at the very heart of our own educational ethos.

We believe the Core Values are central to the resounding success of our namesake UK School, having produced leaders and renowned thinkers. As such, Courage, Honour, Humility and Fellowship anchor our holistic educational approach that focuses on individualised student care and support. Among the ways in which the Values are instilled is through the House system, a central aspect of our holistic approach. In addition, the acquisition of leadership attributes further shapes the attitudes and behaviours of students.

Our respect for tradition is balanced by innovation. We are forward-looking and rise to the challenge of creating new unique educational offerings. Our progressive teaching methodologies, distinctive curricula designed for each type of school, and other initiatives such as proprietary teacher training, have placed us at the forefront of educational excellence.

All of this is done to lift students from being very good to being outstanding all-rounded individuals possessing strength of character to excel in a rapidly changing world. We invest in them, optimising their lifelong learning interests and leadership potential, preparing them for a high-achieving future that includes serving the wider community. We trust that every graduate will provide leadership in all their endeavours.

In summary, we offer an education that benefits graduates for life as a result of a solid foundation that honours the Harrow School's Values and heritage and is bolstered by innovative approaches. With this forward-looking education, our graduates are well equipped to become tomorrow's leaders.

At Harrow Shenzhen, we believe in celebrating and nurturing excellence through our bespoke Junior Scholars programme, designed to provide exceptional learners with enriched academic experiences.

Our tailored program is crafted to challenge and inspire students who demonstrate outstanding academic prowess. Through this initiative, scholars benefit from additional opportunities that extend beyond the standard curriculum, allowing them to delve deeper into their areas of interest and achieve their full potential. A key feature of our scholarship program is the chance to complete the internationally recognized Extended Project Qualification (EPQ), which enhances students' research and critical thinking skills and prepares them for future academic and professional endeavours.

The Junior Scholars programme prepares students for our financial scholarships. These are for students entering Year 10 and Year 12 who exhibit exceptional talent in academics, music, or sports. These scholarships are designed to support and encourage students who excel in their respective fields, providing them with the resources and opportunities needed to continue their pursuit of excellence.

We are committed to fostering a stimulating environment where excellence is both recognized and cultivated.

为了表彰和培养优异的学生,哈罗深圳推出了量身定制的“学者计划”,入选的学生将可以获得更多课程深入探索的机会。

“学者计划”建立的初衷是激励在学术方面表现优异的学生,让他们可以接受更有难度的挑战。该计划提供额外的机会,让学生可以在课后发掘、深挖、发展自己的兴趣爱好,尽情释放潜力。这个项目的亮点之一是有机会完成国际认可的国际学术拓展课程(EPQ),这个课程可以提高学生的研究能力和批判性思维的能力,为他们未来的学术道路和职业发展做好铺垫。

“学者计划”的学生将会是我们奖学金的有力竞争者。这些奖学金是为了支持、鼓励和表彰在学术、音乐或体育方面表现出色的10年级和12年级的学生,为他们后续的学业道路提供所需的资源和机会。

我们致力于营造一个具有启发性的学习环境,发掘并培养成绩卓越的学生。

HARROW DIPLOMA ACTIVITIES

课外课活动

The Harrow Diploma Activities programme reflects the school's commitment to holistic education. It is informed not only by the School's core values (Courage, Honour, Humility and Fellowship) but also draws inspiration from China's five dimensions of education, namely: Aesthetics, Labour, Intelligence, Physique and Morality. These underpin our approach to providing a varied and broad extra- and super-curricular programme that facilitates our students to follow their individual passions and interests. Students are encouraged to select activities that allow them to demonstrate engagement with all 5 dimensions across an academic year and to experiment and explore clubs, societies and committees that lie outside of their area of comfort, to try something new and develop their character.

课外课活动是学校全人教育的重要组成部分。它不仅受学校核心价值观(勇气、荣誉、谦和和互助)的影响,还受到五维教育理念(德智体美劳)的启发。我们基于这些理念提供丰富的课外课活动,让学生可以培养自己喜欢的兴趣爱好。我们鼓励学生选择不同的活动,走出舒适圈,参与多样的组织、社团和委员会,尝试新事物,培养良好的品格。

HARROW DIPLOMA ACTIVITIES

The Harrow Diploma Activities allow our students to develop their individual skills and abilities, whether in the domain of the performing, visual or musical arts; debate and public speaking; science, technology, engineering and maths (STEM); or the humanities and social sciences, among other areas. Moreover, students are provided with the opportunity to showcase and gain recognition for their efforts and talents, for example by: the school's theatrical productions, orchestra or choirs; by competing in local, national and international academic competitions such as the Biology Olympiad, UK Maths Challenge or the World Scholar's Cup; or by representing the school in sporting fixtures.

Through their involvement in a wide variety of activities students are developing the 'softer' skills such as teamwork, problem solving, creative thinking and effective communication that are critical in our increasingly dynamic world and that will assist them in addressing global challenges as global leaders of tomorrow. Across their learning journey at Harrow International School Qianhai Shenzhen students accrue a portfolio of experiences, qualifications and skills through the Harrow Diploma programme that act to position them favourably for the next step of their educational journey at the world's leading, highly-selective universities.

课外课活动使学生能够发展他们在表演艺术、视觉艺术、音乐艺术、辩论、公共演讲、科学、技术、工程、数学(STEM)、人文社科和其他领域的技能和能力。此外,学生们还有机会展示学习成果并获得相关证书,例如:参加学校的戏剧、乐团或合唱团演出;参与国内外学术竞赛,如生物奥林匹克竞赛、英国数学思维挑战赛、世界学者杯等等;或代表学校参加体育比赛。

通过参与丰富多样的活动,学生们可以提升团队合作、问题解决、创造性思维和有效沟通等“软技能”。这些能力在瞬息万变的世界中至关重要,可以帮助他们在未来担任领导者时应对全球的挑战。在哈罗国际深圳,学生们通过课外课活动取得了丰富的经历、资格和技能,为他们进入竞争激烈的世界顶尖大学奠定了良好的基础。

OUR HOUSE SYSTEM

院舍制

A key strength of the House system is the vertical integration of different aged students. This creates a 'family' unit within which responsibilities are assigned to older students to care for and support their younger peers.

The House system is the most distinctive characteristic of a Harrow-branded education and is central to the School's culture and success. The development of House communities is characterised by strong bonds and support networks within each House. The Head of House and Form Tutor know each member of the House extremely well, allowing for close monitoring of academic performance as well as pastoral support. Through fostering supportive relationships, the Tutor focus is on ensuring the fulfilment of every tutee so that, if and when they face obstacles in their learning the student will swiftly receive well judged, individualised and effective wraparound care and support to get back on track.

院舍制的关键优势在于将不同年龄段的学生汇聚于同一个哈罗大家庭。在这样的“大家庭”中，高年级学生将承担起关怀和辅导低年级学弟学妹的责任。

作为哈罗教育中最具特色的一环，院舍制可谓是校园文化的核心，为学校的卓越教育成果奠定基础。院舍集体中凝聚力强大，彼此的支持无微不至。舍监和年级辅导员清楚了解所属院舍中每名学生的情况，因而能够密切关注其学业状况并提供关怀辅导。无论学生遇到任何问题，教职人员都能在第一时间准确判断时态情况，及时为学生提供个性化且行之有效的支持。

Personalised Support Pastoral Care

We recognise that every child is unique, with individual needs and requirements.

Through our Pastoral Systems, we offer each student personalised care, support and guidance. Small class sizes and the House System ensure that every student is known by name, and the teachers understand the students strengths and areas for improvement.

This personalised pastoral support is centred on the 'homeroom' in the Lower School and the 'House' in the Upper School.

This personal attention ensures that we also know about the students' lives outside of school: we celebrate their successes, we are supportive and effective when there are difficulties and we are expert and prepared for life's challenges.

Pastoral care underpins our students' entire experience of Harrow and results in safe, academically successful and fulfilled students. We work closely with parents and carers to support every child on their journey to successful adulthood.

个性化的支持 关怀辅导机制

我们相信，每一个孩子都是独一无二的，而他们的需求亦因人而异。

在哈罗的关怀辅导机制下，我们为每一个学生提供个性化的关怀、支持和辅导。小班制及院舍制保证了老师不仅熟知每位学生的名字，更清楚了解他们各自的特长和发展需求。

这种个性化的关怀辅导机制，在小学和中学分别基于主班制及院舍制。

通过这种个性化的关怀，教职人员能够深入了解学生的校内外生活情况：与学生一同分享成功的喜悦，在他们遇到困难时给予及时且有效的支持，一同迎接、机智应对生活中的种种挑战。

学生在哈罗求学期间，关怀辅导机制贯穿始终，确保学生在安全的环境下取得出色的学业成绩和个人成就。我们与家长和其他参与照管学生的人士保持紧密联系，务求为孩子的成长之路保驾护航。

Supporting Individual Learning Needs

At school, our Learning Support department, also known as the Special Educational Needs (SEN) department, is dedicated to assisting students who face challenges with their learning and accessing the curriculum. This team works closely with students, teachers, and families to ensure each student can succeed and grow positively. We provide tailored support based on each student's unique needs, strengths, and challenges. Through an individual learning plan, we offer personalised strategies and interventions designed to help students reach their full potential. Our goal is to create an inclusive environment where every student receives the support they need to thrive academically and personally.

个性化学习需求支持

我们的学习支持部门，也称为特殊教育需求 (SEN) 部门，致力于帮助在学习方面遇到挑战的学生。该团队与学生、老师和家庭保持密切的合作，积极赋能助力学生成长。我们根据每位学生不同的需求、优点和所面临的挑战，制定个性化的支持计划。我们的目标是创建一个包容的环境，让学生在学术上和个人发展获得所需的支持。

BOARDING LIFE

寄宿生活

Being a boarder is the most authentic way to experience a Harrow education; after all, Harrow School, London has been offering a boarding-only education for many decades.

All of our boarders will benefit from being part of a community in a home-away-from-home, from learning to living alongside others, and having world-class facilities right on their doorstep. They will enjoy a programme of activities as well as supervised and guided prep time to support their studies.

Our boarding facilities provide a safe, secure and diverse environment where our students are valued, supported and inspired. Our Heads of Boarding House have a wealth of boarding and pastoral experience to support the needs and development of our students.

All boarders have access to musical studios, sporting and library facilities to enhance their wellbeing and academic progress whilst in boarding. Most importantly, boarders have the opportunity develop their social skills and continually work on their English skills as they interact with peers from other Houses and are supported by the wider boarding team.

Uniquely for boarding students, we provide supported prep/study time each evening to provide academic support. We encourage our boarders to take pride in their community, to take on student leadership positions and peer support programmes within the Boarding Houses to ensure that we build a collaborative and positive environment.

寄宿可以说是最能真切体验哈罗教育的方式,英国哈罗公学450年全寄宿教育的精髓,深深根植于其中。

我校所有寄宿生都是社区家庭中的一员,学习与他人一起学习、生活,尽享一流的生活设施。寄宿生可以体验各种精彩纷呈的活动,并在老师的监督和指导学习。

我们的寄宿设施为学生们提供了一个安全、舒适且多元的生活环境。在这里,学生们能感受到尊重、支持和激励。我们经验丰富的舍监及关爱老师也会全力以赴为学生的成长和发展提供支持和帮助。

寄宿生可以使用乐器练习室、丰富的体育设备和图书馆资源,以促进德智体全面发展和学业进步。尤为重要的是,通过寄宿,与不同院舍的同学互动,学生们可以提高社交能力和英语沟通技能。同时,舍监和生活老师也会为寄宿生们提供悉心的指导与支持。

每晚,我们都特别为寄宿生们预留了学习指导的时间。我们希望他们能为自己所在的社区感到自豪,在宿舍中承担领导责任、参与互助项目,共建团结、互助且积极向上的生活环境。
